Customer Reviews

I haven't cried at the end of a book in a very long time but this one did it for me. Slow start and even knew where it was headed but I still couldn't stop reading. Ending but still a bit of a surprise...little twist in there.

Excellent book. Helps us understand how powerful emotions can be and are.

repeat: I expected to receive the novel and instead received a summary which ruined my desire to read the entire book

I purchased this by accident. Probably nice for book club members but I was looking for the actual novel.

awsome
