Esthetics Of Anterior Fixed Prosthodontics

Synopsis

This text offers principles and methods on how to achieve the best possible aesthetic results. It shows how the restorative dentist works not only with the dental technician, but also with the periodontist and the orthodontist.

Customer Reviews

Excellent Book. Logical lay-out. Book presents with how to actually diagnose "Smile" problems and explains the basis of WHY a smile is wrong (un-aesthetic). From this base it then goes thru the solutions in theory and then with cases that are photographed superbly. It's a must for any dentist (and technician) who aspires to achieve top results.
