Perfect In Memory: A Son's Tribute To His Mother (Fanfare For A Hometown)

Synopsis

Perfect in Memory: A Son's Tribute to His Mother is the third and final volume in Rick D. Niece's award-winning Fanfare for a Hometown series. Shared from the perspective of an adult son looking back with loving nostalgia on how his spirited, nurturing mother shaped his life, Niece's heartfelt stories are celebrations of family and the timeless endurance of a mother's love. As Dodie Niece's life comes to a bittersweet end, Niece and his family gather at her bedside and share tender memories of their experiences in idyllic DeGraff, Ohio. Written as a tribute to a remarkable woman, Perfect in Memory focuses with tender reflection on the richness of simple gestures that make life so beautiful.

Customer Reviews

Dr. Rick Niece has written another masterpiece with his distinctive and eloquent style. From the moment I picked up this book I couldn't put it down until I finished it. The love for his mother is the soul of the story. His vivid descriptive writing brings his memories to life, and the poetry between chapters gives more light to this powerful story. I highly recommend this book. It is beautifully

written, highly entertaining, and very engaging.

We've read all three of Rick Niece's Fanfare for a Hometown Series. Both of us could not put this one down until we finished reading it. The story is powerful and full of memories and love and joy. We laughed and cried at the same time. Then we turned around and ordered more books to share. A great read for any day.

This was a touching book about a relationship between a Mother and her son or sons in this case. Each striving to be perfect and each failing at times as we humans do. But as the Mother passes away, all of the memories of her become Perfect in Memory and as you read this you realize the love and caring between Mom and Son. It makes you laugh, associate with, and cry at times. It is a great read and one you won't forget!
