Essentials Of Nursing Leadership & Management (with Premium Web Site Printed Access Card)

Synopsis

NOTE: Rentals does not include Access card Practical, straightforward, and user-friendly, the third edition of ESSENTIALS OF NURSING LEADERSHIP & MANAGEMENT is designed to help readers develop the knowledge and skills needed to lead and manage nursing care delivery in the 21st century. This comprehensive book is organized into five units; the Essentials of Nursing Leadership and Management, Leadership and Management of the Interdisciplinary Team, Leadership and Management of Patient-Centered Care, Quality Improvement of Patient Outcomes, and Leadership and Management of Self and the Future. Through nursing case studies, interviews, critical thinking exercises, NCLEX-style questions, review activities, and web activities, readers will successfully build their confidence in handling a range of common nursing leadership and management situations. The completely revised third edition contains up-to-date coverage of relevant topics such as information technology, quality improvement, safety , informatics, evidence-based practice, patient-centered care, National Safety Goals, and the Quality and Safety Education for Nurses (QSEN) initiative.

Customer Reviews

Of all the online books I have purchased, this one was not in great shape.

It was perfect came before I needed it. Thank you

Like most textbooks. Nothing really stands out.

It's for school, what can I say.

This book has been a very good read. I am in a supervisory position and have found the information to be relevant and helpful in my job.

I did not even want to order this book and can not find any cancellation link. My card was charged so now I have 2 copies of the same book.
